Briefs.

A LOAD of lumber got stalled on the depot grounds where some new grading had been put in, and the wagon had to be unloaded before it could be released.

THE mayor has issued a proclamation ordering the saloons to close Monday afternoon on account of the celebration of the laying of the corner stone of the Union Depot.

GEORGE HALE, the brakeman who was thrown from the side of a box car on the Utah & Northern Railway, has so far recovered from his injuries that he can indulge in short walks in the open air.

C. A. HOWARD, late of St. Paul, Minn., has let the contract to R. B. Shephard for plans and specifications for a \$6,000 residence that he can emplace building on his newly acquired property on Second Street. Mr. Howard left for Denver last evening.

THE only accident noted yesterday happened at the Union Pacific hospital to a calf tethered by a rope in the yard. The young animal in some way got the rope between the hoofs of its foot, spreading them to that extent that its blood flowed freely. The little fellow was soon released, and the doctor thinks will recover from its injuries.

ARRANGEMENTS have been completed between the Ogden Coal & Coke Company and the D. & R. G. W. Railway, whereby the latter will put in the necessary sidings and switch to the mines of the former, and shipments will be commenced in earnest as soon as the above work is completed. Over 200 tons of coal are now waiting the action of the railway company, and 200 tons per day will be the probable output for the present. The contracts now on hand will call for the enlargement of the working capacity within the next thirty days.

Personals.

R. J. TAYLOR has returned from Salt Lake.

THE mayor of Corinne, J. W. Guthrie, is visiting friends in the city.

WILLIAM VAN DYKE returned from the capital Thursday evening.

D. H. PERRY, Jr. is again among us after a brief stay in the Territorial capital.

J. GREGGAN, a traveling man, with headquarters at Salt Lake, is seeing our business men.

OUR bustling town has a rustler in its midst just now, he is W. D. Crandell, of Springville, Utah.

J. R. MIDDLEMISS, secretary of the Ogden Coal & Coke Company returned from Salt Lake City Thursday evening, whither he had been on business for the company.

Police Court.

Two cases greeted the police judge yesterday morning. Joseph Novak, a Moravian by breeding, had been most gloriously drunk Thursday evening—so drunk, in fact, that an express wagon had to be procured to haul him to the city jail. Naturally he pleaded guilty and received sentence to pay a fine of \$10. As it happened, he had deposited \$40 with one of the saloon keepers, who had given him a due bill for that amount, and as the due bill was found on his person, no trouble was experienced in finding the money. Otherwise the inmate could never have told what had become of his funds.

The other case was that of an old man who resides not a thousand miles from Ogden. He came to this city on one of his periodical trips, and falling in with a number of old-time friends, got more tangle-foot than he could navigate under. He was picked up at 12:15 yesterday morning in the vicinity of the Firemen's Hall. In the morning he was let off with the usual fine of \$10. On account of his eminently respectable descendants, his name is withheld this time; but should he come before the court again, the papers will give the utmost publicity to his misconduct.

Probate Court.

In the matter of the estate of Margaret Edwards, deceased, an order was entered ordering the sale of certain real estate belonging to the estate of the deceased.

Children Cry for Pitcher's Castoria

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of ten years' standing." Abraham Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my twenty years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a bottle at A. C.
